

# e-z theory: Rests

*In these exercises you will learn how to draw and use rests.*

1

## Writing rests

Try writing out some semiquaver, quaver, crotchet, minim and semibreve rests on the staff below:

2

## Using rests

Complete the following examples by adding an appropriate rest under each mark:

2

3

## Counting rests

For each following combination of rests, write the equivalent number of crotchets:
